**CANADIAN NATURAL RESOURCES LIMITED  
ANNOUNCES RENEWAL OF NORMAL COURSE ISSUER BID  
CALGARY, ALBERTA – JANUARY 22, 2003 – FOR IMMEDIATE RELEASE**

Canadian Natural Resources Limited ("Canadian Natural") announced today that the Toronto Stock Exchange has accepted notice filed by Canadian Natural of its intention to make a Normal Course Issuer Bid through the facilities of the Toronto Stock Exchange and the New York Stock Exchange.

The notice provides that Canadian Natural may, during the 12 month period commencing January 24, 2003 and ending January 23, 2004, purchase for cancellation on the Toronto Stock Exchange and the New York Stock Exchange up to 6,692,799 shares, being 5% of the 133,855,988 outstanding common shares as at January 17, 2003. The price which Canadian Natural will pay for any such shares will be the market price at the time of acquisition. The actual number of common shares that may be purchased and the timing of any such purchases will be determined by Canadian Natural.

While pursuing Canadian Natural's successful acquisition, exploration and development plans remain the best opportunity to create value for Canadian Natural, any excess cash flow in 2003 over budgeted spending may be used by Canadian Natural to further strengthen its balance sheet or continue growth of value per common share. One investment opportunity available to Canadian Natural under these circumstances, depending upon future trading prices and other factors, is the use of these excess funds to purchase its common shares, as it is a worthwhile investment, and is in the best interests of Canadian Natural and its shareholders.

Canadian Natural has not purchased any common shares pursuant to a Normal Course Issuer Bid which has been in place since January 23, 2002.

Canadian Natural is a senior oil and natural gas production company, with continuing operations in its core areas located in Western Canada, the U.K. portion of the North Sea and Offshore West Africa.
