

# Corporate Statement on Asset Integrity

Canadian Natural Resources Limited (Canadian Natural) is committed to high levels of asset integrity to ensure safe, reliable, efficient and effective operations. We conduct our operations in a manner that will evaluate and mitigate impacts to the integrity of our assets.

Canadian Natural's commitment to asset integrity management will be incorporated into business activities through the following guiding principles:

- Comply with all relevant legislation and regulatory requirements relating to asset integrity and apply all appropriate Company standards;
- Ensure risk-based technical evaluations are completed and that appropriate procedures for mitigation are in place where potential impacts to asset integrity are identified;
- Provide strong leadership to the identification, assessment and management of asset integrity risks at all levels of the organization and promote a participative culture;
- Ensure there is a program in place to monitor, audit and review our performance and seek continuous improvement by having clear objectives and targets;
- Proactively identify significant changes affecting asset integrity systems, respond appropriately to issues and concerns and provide a mechanism for feedback;
- Provide ongoing training and development opportunities for employees and contractors where their work can impact asset integrity management programs;
- Ensure that effective emergency response measures are in place and provide prompt and effective response to any emergency situation;
- Ensure individuals performing critical tasks that impact asset integrity are competent to do so and that procedures are developed and followed;
- Ensure continuous improvement by effectively investigating incidents so that appropriate action can be taken to prevent them from recurring. Ensure that any learnings, including those from the experiences of others, are effectively communicated to all parts of the organization; and
- Ensure that our Asset Integrity Management System, including this policy, is maintained, followed and remains effective through feedback and regular review.

Canadian Natural's Management is committed to achieving continuous improvement in asset integrity performance through annual objectives and targets. Performance is tracked and corporate status reports will be presented regularly to Management and the Board of Directors.
