

# Northeast British Columbia At a Glance

February 2022

## INVESTING LOCALLY

### Significant local economic contributions

Supporting jobs, companies and public  
services (health, safety and education)

- Supporting direct and indirect (suppliers) jobs
- Revenues to governments in royalties and taxes
- Property taxes to municipal governments
- Surface land rentals to landowners

## LOCAL EMPLOYMENT

**255**  
full-time staff

including contractors

**7**  
students

in cooperative work terms  
in 2021

## 2020 COMMUNITY HIGHLIGHTS

**575+**  
students

supported through online  
learning and nutrition  
programs during the  
pandemic, including the  
Totem Nursery Preschool  
Society and School District  
No. 60 Peace River

**27**  
community  
organizations

supported, including the Fort  
St. John Hospital Foundation,  
the North Peace Senior  
Housing Society and the Fort  
St. John Women's Resource  
Society

## Longstanding relationships

Since 2003, we have  
partnered with industry  
and Treaty 8 First Nations  
to encourage Indigenous  
youth to complete primary  
schooling through our  
longstanding support of the  
Northeast British Columbia  
(NEBC) Stay in School  
Program.

## Investing in local communities

### SUPPORTING LOCAL RECREATION CENTERS

We made a donation  
to the Whiskey Jack  
Nordic Ski Club to  
help the club build  
a day lodge for  
skiers. The club is  
run by volunteers  
and relies on  
government grants  
and fundraising  
to maintain hiking  
and bike trails at  
provincial parks in  
the summer, and ski  
and snowshoe trails  
in the winter.

### SUPPORTING SENIORS

We supported the Fort St. John and Area Senior's Care Foundation to help them continue providing programs to keep seniors at home longer. Funds went to Meals On Wheels and the new Reach Out program, a virtual project designed to create a social atmosphere for seniors during the pandemic (e.g. through music, socialization and dance).

# 2020 CORPORATE FACTS

## EMPLOYMENT CREATION

**82,000+**  
full-time  
equivalent jobs

including direct, indirect  
(suppliers) and induced  
(economy at large)

**329**  
students

in cooperative work  
terms across  
all operations

**~10,000**  
employees

across our operations

**Indigenous  
business  
development**

we work with Indigenous  
companies and contractors,  
and support local training and  
capacity building

## COMMUNITY FACTS

**158**  
organizations

supported through COVID-19  
relief, including the Care Human  
Services, the Salvation Army  
and several food banks

**159**  
contracts

awarded to  
Indigenous businesses

**8,300+**  
hours

of employee  
volunteering across  
our operations

**129**  
scholarships

awarded across  
operations including  
students in NE BC

## LOCAL SAFETY INITIATIVES

### Improving safety

Our local teams follow active safety  
improvement plans focused on meeting  
our ultimate goal of *"No harm to people;  
No safety incidents"*

### COVID-19 health protocols

We implemented health protocols  
and enhanced work procedures,  
including a company-specific health  
screening app for our staff

## ENVIRONMENT HIGHLIGHTS

**32%**  
reduction in greenhouse gas  
(GHG) emissions intensity

since 2012 across all  
operations – same as removing  
approximately 1.9 million  
cars off the road annually

**1,065**  
wells abandoned

in conventional operations in 2020, taking  
inactive sites out of service in a safe and  
environmentally sound manner

**854**  
reclamation certificates

received in 2020 for 2,065 hectares  
reclaimed, the most of any operator  
in Western Canada

**5.9**  
million trees planted

to date across all operations – one  
of the final reclamation steps to  
support a healthy ecosystem

**9,200+**  
hectares reclaimed

in conventional and  
thermal operations since 2016,  
equivalent to ~11,300 Canadian  
football fields

Our Septimus natural gas plant uses hydroelectricity to run the electric  
compressor motors

*"To develop people to work together to create value for the Company's shareholders by doing it right with fun and integrity."
