

Canadian Natural

**CORPORATE STATEMENT ON
ENVIRONMENTAL PROTECTION**

Environmental protection is a fundamental value of Canadian Natural Resources Limited (Canadian Natural). The Corporation recognizes that every employee and contractor has a vital role to play in identifying, minimizing and mitigating environmental impacts from our operations. Canadian Natural's commitment to environmental management will be incorporated into business activities through the following guiding principles:

- Ensure all employees and others engaged on Canadian Natural's behalf are aware of the commitment to minimizing and managing environmental impacts resulting from Canadian Natural's operations;
- Provide strong leadership to the identification, assessment and management of environmental risks at all levels of the organization and promote a participative culture;
- Proactively identify, evaluate, minimize and mitigate the environmental impacts of Canadian Natural's business throughout all aspects of our operations;
- Identify significant changes affecting environmental management systems, respond appropriately to issues and concerns and provide a mechanism for feedback;
- Ensure appropriate processes are developed and implemented to prevent pollution, including waste and emission management programs;
- Ensure that effective emergency response measures are in place and provide prompt and effective response to any emergency situation;
- Investigate environmental incidents effectively to prevent recurrence and communicate and implement lessons learned across all parts of the organization, including those from the experiences of others;
- Communicate with the public regarding Canadian Natural activities;
- Ensure that Canadian Natural operations comply with government regulations, industry guidelines and company policies and procedures concerning environmental management; and
- Use energy and other resources efficiently at Canadian Natural operations.

Canadian Natural's management will be responsible for developing specific operational procedures and standards that are consistent with this policy and are accountable for the maintenance, regular review and interpretation of this policy. Canadian Natural expects its suppliers, partners and business associates to have compatible environmental procedures and values.

Canadian Natural's management is committed to achieving continual improvement in environmental performance through annual environmental objectives and targets. Performance is reviewed and corporate status reports are presented regularly to management and the Board of Directors.
