*Update:

- **Feb 25 – Mar 1 - Two extremely oversized vessels 12m (40') in diameter will be moving during the night time hours from Lloydminster to Horizon site.**

There will be a requirement to temporarily close alternating sections of highway during this move to ensure public safety. A detailed route plan including expected time and location of closures has been developed and can be viewed at www.entrec.com & www.safer63and881.com for the most current information. Thank you for your patience and cooperation to enable everyone to arrive at their destination safely.

- **Aug 20 - 24 – An extremely oversized vessel 12m (40') in diameter will be moving during the night time hours from Lloydminster to Horizon site.**
- **Week 30 & 31: July 23-27 & July 30-Aug 3 – One load per week 48m long x 7.3m wide x 9.0m high travelling from US border to site.**
- *****Note: July 30-Aug 3 – An extremely oversized vessel 12m (40') in diameter will be moving during the night time hours from Lloydminster to Horizon site.*****
